

MAY PRAYER FOCUS

Pray for the people who participated in Alpha this past semester, that they would give themselves to trusting in Jesus and deciding to become his disciple.

Pray for the people who participated in ESOL this past school year, that they would be moved by the invitations to learn more about Jesus and come into the body of Christ at Cedarbrook.

Pray for our continued search for a Promiseland Director/Pastor. That God would send the right person at the right time to lead our Kid's Ministry in this next season. If you know somebody who is interested or are interested, reach out.

Seeking Outsiders: Jesus often encountered social outsiders in his life.

- Pray for God to open your eyes to those on the margins in your community this May. Who might you show kindness to that others overlook?
- Pray that you would recognize the deeper thirst people might have for connection, meaning, or God himself. How can you offer them living water this spring?
- Pray for opportunities this spring to have genuine encounters with people that open their hearts to the Gospel message.

Planting Seeds: Jesus told his disciples, "The fields are already white for harvest."

- Pray for discernment to identify the needs of others in your community this spring, be it physical, emotional, or spiritual.
- Pray for God to reveal opportunities to plant seeds of faith this spring through your words and actions.
- Pray for the courage to start conversations with strangers this spring, creating opportunities to show God's love.
- Pray that encountering God this spring would overflow in your heart, prompting you to serve others.
