

JUNE PRAYER FOCUS

Vacation Bible School

- Pray that the children in VBS experience joy, grow closer to Jesus, and arrive each day eager to learn. Ask that their hearts be open to biblical truth, and that they form positive friendships and a sense of belonging.
- Pray for our volunteers and leaders to have wisdom, creativity, and unity as they share God's love. Ask for meaningful connections with the kids and opportunities to share faith in personal ways.

Graduates from Elementary School, Middle School, High School and College

- Pray that graduates walk in wisdom and seek God's guidance as they enter new chapters—whether school, work, or service. Ask that they pursue His will above their own, trust His plan, and build strong, faith-filled friendships.
- Pray they navigate change with courage, find strength in God's presence, and shine His light wherever they go. Ask that their identity be rooted in Christ and that they discover their unique gifts for His kingdom.

Families Flourishing and Reaching Outward

- Pray for families on summer break to grow closer through shared time, patience, and spiritual conversations. Ask God to strengthen parents as they guide their children in faith.
- Pray that we notice and reach out to those who feel alone or are seeking meaning. Ask for opportunities to share the gospel with love and authenticity, and that our church would be a welcoming place for all.

CEDARBROOK
