

CEDARBROOK

COMMUNITY CHURCH

BOARD OF DIRECTORS NOMINATIONS 2021

JOHN STOHLMAN

My family and I have been members of Cedarbrook Church for 20+ years. My wife Laura and I have two grown children (Gene and Elizabeth) that are happily married and live out of the area. I have been involved in the following ministries / teams at Cedarbrook: leading and participating in G-2 groups for many years, Dwelling Place Team, Hospitality & Parking Teams, and the Iron Men Ministry. I am a Financial Planner by profession. I have owned and operated a Financial Planning practice in Gaithersburg for the past 30+ years. I look forward to the opportunity to contribute to the future success of Cedarbrook Church on the BOD.

LINDSAY FOLKERTS

I have been attending Cedarbrook Community Church for almost 10 years. I love serving my Cedarbrook family and I am currently part of the Worship Team and Missions Team. Over the years, I have also been a part of the Discipleship Team, led small groups, and served with MOPS. Before coming to Cedarbrook, my resume included having worked as a Church Administrator and Legal Assistant. I have also run my own small businesses over the years. I am currently a Realtor with Team Obendorfer of Remax Realty Group.

DESTINY LEAHY

My husband Mike and I and our three children have been attending Cedarbrook since 2013. I am the Global Ministry Director for Africa at MOPS International, managing account funds and overseeing continent-wide projects. I have also previously worked as both a financial writer and as an actuarial analyst. At Cedarbrook, I currently serve on the Missions Team and as a G2 leader. I have also held several leadership positions within the MOPS ministry in the church.

MIKE LEAHY

I have been attending Cedarbrook since 2013 with my wife Destiny and our three children. I have served in Promiseland and as a G2 leader for several years. In the community, I have coached three seasons of our son's little league baseball team. Professionally, I am a Director of Software Engineering at Rally Health, responsible for the budget and strategy for over 80 engineers.

EDWIN ROSAS

Our family has been attending Cedarbrook since December 2016 and after becoming a church member, I have served as a Growth Group Leader facilitating courses and material focused on marriage and family. I am passionate about how Christ-centered families can make a big difference in the communities where we live. I am a retired Naval Officer who spent most of my career as a Healthcare Administrator and Chief Information Officer. I own a professional services company that provides healthcare technology consulting to the Federal Government, and currently serve as a Board Member of a non-profit veteran support organization and pro-bono business advisor to small startups. I believe my skills in managing all aspects of a business, from human resources management to budget formulation and execution can be of great benefit to the Cedarbrook Board of Directors.
