May Prayer Focus

This May, we're going to focus on praying over five areas of influence in our nation.

Government & Leadership

- Pray for the President, Governors, Mayors, and all judicial leaders. Ask God to grant them the discernment to lead with honesty and justice

Media

- Pray that media executives recognize the value of producing noble and excellent projects
- Ask that Christians in media receive favor and creative strategies to share life-giving messages

Business & Labor

- Pray for the impartation of resources to start principled businesses, especially in struggling communities
- Ask that Christian employees display Christ-like humility, love, and excellence in their workplaces

Education

- Pray for safe, focused learning atmospheres and for educators to lead with wisdom and expertise
- Intercede for every student to have equal opportunities to reach their full potential

The Church

- Pray for a renewed commitment to the Great Commission and the purposes of Jesus
- Ask for unity among different churches to reveal God's love and that believers would live with distinct, biblical integrity

Family

- Pray for families to be built on love, opening their homes to serve others
- Ask for the establishment of healthy, strong relationships between parents and children
