

JUNE PRAYER FOCUS

Vacation Bible School:

- Pray God will fill the children registered and participating in VBS with joy and a desire to grow closer to God and know Jesus throughout the week.
- Pray God will guide our volunteers and leaders with wisdom and creativity to teach and demonstrate the love of God to all the kids participating in VBS with us.

Graduates from Elementary School, Middle School, High School, and College:

- Pray God will fill these graduates with wisdom and guidance as they embark on new chapters in their lives. Ask that they be granted courage to face challenges, have confidence in their faith, and a discerning heart to make decisions that align with God's purpose for their lives.
- Pray God will bless them with supportive communities and guide them towards mentors who will encourage their growth.
- Pray God will ease anxieties, calm uncertainties, and fill their hearts with his peace.
- Pray God will help them navigate change with faith, find strength in his presence, and discover opportunities to share his love in the world they are entering.

Families Flourishing and Reaching Outward:

- Pray for families on summer break. Ask God to grant wisdom and patience to parents, and provide opportunities for families to grow closer.
- Pray that God open our eyes to those outside our church who may be lonely or searching for meaning. Ask God to provide opportunities for us to help us share the gospel with them in natural and authentic ways.
