January Prayer Focus

Welcome to 2026!

Before you set goals or make plans, start the year focused on God with these prayer prompts.

- Ask God to break your heart for what breaks His and replace your limited view with His eternal perspective. Shape your calendar around God-breathed work.
- Ask God to heal the grievances, disappointments, betrayals, and losses of 2025. Release them so you can walk free in 2026.
- Ask Jesus to be King over every part of your life. Dethrone the idols of comfort, reputation, and control. Give Him your first thoughts, minutes, and energy.
- Ask God to replace apathy with holy curiosity. Choose anticipation over worry as you trust His goodness this year.
- Ask God to sharpen your ability to hear His voice and respond quickly in faith.
- Ask God for a clear vision for where you're headed—one that helps you lead well and say no to distractions.
- Ask God to strengthen your gifts and give you courage to step into the good works He's prepared for you. Your work is a Kingdom mission.

Praying these prompts will help you begin 2026 grounded, focused, and seeking God first.
