

Loving Our Neighbors During a Pandemic

Who is my neighbor?
Luke 10:29

Here are five practical ways we can reach out and love our neighbors during the pandemic.

1. Check in with your neighbors.

- Call or text them.
- Write them a card.
- Drop off some homemade baked goods.
- Pray for your neighbors.

2. Shop and drop.

- Pick up what your neighbors might need from the grocery store or pharmacy and drop it off on their door step.

3. Make a donation.

- There are a lot of nonprofit organizations in our community who are actively helping families in need during this crisis.
- Food, clothing, money, volunteers and even blood are all needed by others now...

4. Remember those on the front lines.

- Healthcare workers, police officers, firemen, EMT's, grocery store workers...
- Take a moment to thank them for what they are doing.

5. Be available.

- Be present and willing to “look to the side” to see the needs around us.
- Love of neighbor is a verb – it involves action.
